Privacy Statement Information Collection and Use

UNMMG Truman Health Services is the sole owner of the information collected on this site. Users submitting questions and comments are asked to provide their name, phone and email addresses to receive responses. We will not disclose this information to any organization except as disclosed in this statement.

Cookies

This site requires cookies to be enabled on the user's browser. A cookie is a piece of data stored on the user's hard drive containing information about the user. A cookie file can contain information such as a user ID that the site uses to track the pages you have visited. Usage of a cookie is in no way linked to any personally identifiable information while on our site. The only personal information a cookie can contain is information you supply yourself. A cookie can't read data off your hard disk or read cookie files created by other sites. For instance, by setting a cookie on our site, the user would not have to log in a password more than once, thereby saving time while on our site. Cookies can also enable us to track and target the interests of our users to enhance the experience on our site.

Links

This privacy statement applies solely to information collected by this web site. This web site contains links to other sites. Please be aware that UNMMG Truman Health Services is not responsible for the privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of each and every web site that collects personally identifiable information.

Security

This website takes every precaution to protect our users' information. When users submit sensitive information via the website, your information is protected both online and off-line. If you have any question about the security of our website, you can contact:

Notification of Changes

If we decide to change our privacy policy, we will post those changes so our users are aware of what information we collect, how we use it, and under what circumstances, if any, we disclose it. If at any point we decide to use personally identifiable information in a manner different from that stated at the time it was collected, we will notify users by way of an email. Users will have a choice as to whether or not we use their information in this different manner. We will use information in accordance with the privacy policy under which the information was collected.
